A Steampunk S Guide To

Steampunk is a subgenre of science fiction or science fantasy that incorporates technology and aesthetic designs inspired by 19th-century industrial steam-powered machinery. Although its literary origins are sometimes associated with the cyberpunk genre, steampunk works are often set in an alternative history of the 19th century's British Victorian era or American "Wild West", in a future ...

It's all even and lovely. Once again, as with the dyes, do not apply Saddle Lac without the proper ventilation. It's a bad idea, trust me. When applying the sealant, don't use too much. In this case, I used two passes with the spray, one along the top side, and one along the bottom side, making sure to get all the edges.
