Scientists have proved that human cannot be born with purple eyes. We can only be born with amber, black, blue, brown, grey, green, and hazel. But some people indeed have purple eyes. First, let's have a look on human eyes structure. This is an anatomy of human eye.

Scientists say we cannot be born with purple eyes, but why ...

Amethyst is often a crystal that comes into your life early along your spiritual path. It seems to appear at that point when you start to realise there is more to life than simply trying to keep up with everyone else in the rat-race. Amethyst encourages you to slow down, to pause, and to consider what else life has to offer.

Amethyst - The Crystal of Silent Wisdom

Purple Eyes, also called "violet", "lavender/lilac" or "amethyst" (depending on the shade) are a type of Technicolor Eyes used in fiction as an indicator that a character is very special, rare, unique, and/or somehow possessed of strange or mysterious talents or heritage.
