Scientific American is the essential guide to the most awe-inspiring advances in science and technology, explaining how they change our understanding of the world and shape our lives.

### **Welcome SA Digital Customers - Scientific American**

Scientific American published its first foreign edition in 1890, the Spanish-language La America Cientifica. Publication was suspended in 1905, and another 63 years would pass before another foreign-language edition appeared: In 1968, an Italian edition, Le Scienze, was launched, and a Japanese edition, Nikkei Science [], followed three years later.

Frank Feschino, From one Frank to another, I am writing to you again after a long hiatus because I am reading The Braxton County Monster (revised) cover to cover for the third time (at least). Again I have to praise you for some of the best research ever conducted into a complex UFO/Flying Saucer event.
