Molten chocolate cake is a popular dessert that combines the elements of a flourless chocolate cake and a soufflé. [citation needed] Its name derives from the dessert's liquid chocolate center, and it is also known as chocolate moelleux (from French for "soft"), chocolate lava cake, or simply lava cake. It should not be confused with chocolate fondant, a recipe that contains little flour, but ...

Molten chocolate cake - Wikipedia

Ganache is a mixture of chocolate and cream, melted together and used to glaze or fill a cake, whip into a fluffy frosting, or fill truffles. The simplest recipe is 8 ounces chopped chocolate whisked with 8 ounces hot heavy cream until totally combined and shiny; this ganache will be easily pourable, and will be very soft when set.
