## **The CTK Group | Interview & Interrogation Training**

I think the main thing to remember- from the suspect's perspective- is that the police are actually the weaker party, not the suspect. The police need info from the suspect to gain a conviction, but there's nothing the suspect can gain from co-operating with police (unless the suspect somehow enjoys prison life), so really, the suspect has everything to lose and nothing to gain by ...

The cognitive interview (CI) is a method of interviewing eyewitnesses and victims about what they remember from a crime scene. Using four retrievals, the primary focus of the cognitive interview is to make witnesses and victims of a situation aware of all the events that transpired. The CI aids in minimizing both misinterpretation and the uncertainty that is otherwise seen in the questioning ...
