Counseling covers a wide range of disciplines and approaches, each requiring its own unique skill set. However, for anyone thinking of embarking on a career as a counselor, there are some basic skills in addition to personal attributes required to be effective in any specialty.

A List of Skills Needed to Become an Effective Counselor ...

An interview is a conversation where questions are asked and answers are given. In common parlance, the word "interview" refers to a one-on-one conversation between an interviewer and an interviewee. The interviewer asks questions to which the interviewee responds, usually so information may be transferred from interviewee to interviewer (and any other audience of the interview).

Motivational Interviewing is a proven approach to help support patients who struggle with health behavior change. It is a particular form of conversation that is patient-centered. The practitioner, clinician, or therapist is not teaching or necessarily even recommending a course of action, but ...

Training in Motivational Interviewing for Beginners to ...

Motivational interviewing (MI) is a counseling approach developed in part by clinical psychologists William R. Miller and Stephen Rollnick. It is a directive, client-centered counseling style for eliciting behavior change by helping clients to explore and resolve ambivalence. Compared with non-directive counseling, it is more focused and goal-directed, and departs from traditional Rogerian ...
