Essential Oils - nhc.com

While you may find that using essential oils, like lavender or eucalyptus, for aromatherapy helps you relax, it's important to keep in mind that these oils can also pose safety risks to pets and people. Essential oils have been in the news recently, largely due to reports that incidences of ...

Do Essential Oils Pose a Risk to Pets? - Vetstreet

I've called the company and they refuse to acknowledge that their product could have done this. I find that interesting, considering that I found 200 complaints about their products killing/harming dogs and cats at the Consumer Affairs website and there is a Facebook page of people with similar experiences who are gathering up in order to file a class action lawsuit against the company.

WARNING: Essential Oils Dangerous for Pets, "Natural Flea ...

Not shut down...just allowing people to speak their minds. To be clear, though, he wasn't talking about homeopathic remedies (which violate the laws of physics and chemistry and have never been shown to work better than placebo...for anything). Essential oils do have the potential for beneficial effects-but they also have the potential for adverse reactions.
