Stomach upset can really ruin your day — whether it's slight nausea or a nasty case of bloating, if you're experiencing a stomach problem, you're likely searching for a solution. While some healthy foods only serve to make things worse, there are a few foods and drinks that can ease the pain. Tea, in particular, could be the remedy that your stomach needs.

Few situations are as stressful for new parents as caring for a new baby who will not settle and fall asleep. Although most new parents expect to get less sleep than they did before their baby's arrival, a baby who stays up all night long can try the patience of even the calmest and most dedicated parents.
