I read It Can't Happen Here by Sinclair Lewis for the first time in the summer of 2016 and it messed me up pretty bad. I think about this book at least once a week as the news cycle overwhelms me. First published in 1935, it is the satirical tale of the rise of an American authoritarian leader and the slow, almost unnoticeable way that could happen.

The primary step in scrutinizing the assertion that it can't happen here is to recognize and describe what "IT" is. Many people have distorted, almost comic-book-type, impression of dictatorship. In the real world autocracy has always crept in under the pretense of safeguarding the nation, defending the people, and establishing law and order. A ...
