The woman who can smell Parkinson's disease - BBC News

Few health professionals recognize the seriousness and impact of these problems, and even fewer know how to properly diagnose and cure them. That's why Dr. Robert I. Henkin established the Taste and Smell Clinic over 40 years ago. He's spent a career researching, writing, diagnosing, and curing the problems that cause an estimated 21 million Americans to suffer loss or impairment of these ...

The Taste and Smell Clinic, Washington D.C. - Dr. R.I.Henkin

— Lockheed Martin's April Fools' Day joke passed the smell test. The aerospace company on Monday (April 1) kicked off its prank by announcing a launch, but rather than it being of a rocket or a spacecraft, it was Vector, "the first ever fragrance to capture the aroma of space." And no sooner did ...

mental_floss editor-in-chief Jason English has long suggested that I look into the science of why his dog Bailey's feet smell like popcorn. I thought the odor was a quirk of Bailey's. But then I ...

Why Do Your Dog's Feet Smell Like Popcorn? | Mental Floss

Parkinson's disease stinks. Figuratively. But according to new research, it literally stinks too — to those who have a heightened sense of smell. Thanks to the help of one of these "super ...

This Woman Can Smell Parkinson's. It Might Help Lead To ...

How does the rat's nose work? Air enters the rat's nostrils and flows past a patch of skin rich with smell receptors called the olfactory epithelium. Here are olfactory neurons, which are tipped with little hair-like cilia that project into a thin bath of mucus at the cell surface. Odor particles in the air, called odorants, bind to special receptors on the cilia of the olfactory neurons, and ...

The rat's world of smell - Rat Behavior and Biology

While the benefits of buying vintage clothing are numerous, there's one particular drawback that affects a great majority of these items despite how well their construction and integrity have held up over the years, otherwise.
