Willow Creek's internal structures will be tested in the months to come, said David Eagle, an associate in research at the Center for Health Policy and Inequalities Research at Duke University ...

What's next for Willow Creek? - Religion News Service

Jim and his girlfriend Kelly are visiting the infamous Willow Creek, the alleged home of the original Bigfoot legend - the tale of huge ape like creatures that roam the forests of North America. It was there that in 1967, the legendary beast was captured on film and has terrified and mystified generations since.

Willow Creek (2013) - IMDb

Willow Creek is a 2013 independent found footage horror film written and directed by Bobcat Goldthwait. It stars Alexie Gilmore and Bryce Johnson as a couple who go into the woods of Willow Creek, California looking for material for their documentary on Bigfoot lore.

Willow Creek (film) - Wikipedia

Willow Creek is a church committed to loving everyone, always and extending the hope and grace of Jesus to our neighbors near and far. With eight locations across Chicagoland, Willow Creek brings biblical teaching and engaging worship to thousands each week.

Willow Creek Community Church

"Willow Creek" is a defiant slow burn. Jim and Kelly tour the community, talk to locals, and continuously prepare viewers for the inevitable. As he's proven in films like "World's Greatest Dad" and " God Bless America ," Goldthwait is a smart filmmaker.

Willow Creek Movie Review & Film Summary (2014) | Roger Ebert
