The military history of Mexico consists of several millennia of armed conflicts within what is now that nation's territory and includes activities of the Mexican military in peacekeeping and combat related affairs worldwide. Wars between prehispanic peoples marked the beginning of Mexico's military history, the most notable of these fought in the form of a flower war.

Mexico City history. It is believed that central Mexico has been inhabited for thousands of years, but Mexico City history really begins in 1325AD. In recent memory before 1325, the area was actually covered by a lake, Lake Texcoco. But an incredible transformation was about to take place, launching Mexico City history in a way few would have expected.
