Orji - Meaning And Origin Of The Name Orji | NAMEANING.NET

His memoir serves as his recollections of events that bring happiness, mixed feelings and, sometimes, sorrow. Apart from sharing anecdotes of some of the events in West Africa of London, this is the first time that he has committed many of the details.

Biography/Autobiography - Sunshine Bookseller

Finally, on the second-to-last page of his history of memoir, a tale packed from beginning to end with scandals, liars and cheats, Ben Yagoda asks the question we've been waiting for: How do we ...

Book Review | 'Memoir: A History,' by Ben Yagoda - The New ...

Memoir, history or record composed from personal observation and experience. Closely related to, and often confused with, autobiography, a memoir usually differs chiefly in the degree of emphasis placed on external events; whereas writers of autobiography are concerned primarily with themselves as subject matter, writers of memoir are usually persons who have played roles in, or have been close ...

Memoir | historical genre | Britannica.com

But back to our original question: what is a memoir? The word comes from the French *mémoire*, meaning “memory.” So in the simplest sense, memoirs are just that. They're about the author remembering, reminiscing, and reflecting on experiences from their lives.

What Is a Memoir? - BOOK RIOT

Memoirs as History. Attention to the details of everyday life, emphasis on the gender politics of the camps, focus on the fate of dependents, identification with other women and their families provide the reader with unique historical data. By focusing on external circumstances and their tragic impact on individuals,...
