Patrick Bishop 3 Para

WELCOME . Patrick Bishop has emerged in the last decade as one of Britain's best-regarded military historians with his books *Fighter Boys* and *Bomber Boys*, which cast a new light on the men who flew in the Battle of Britain and the Strategic Air Campaign.

Patrick Bishop. Author of 3 Para, Bomber Boys and Fighter Boys

The book I read to research this post was *3 Para* by Patrick Bishop which is a very good book which I bought from a car boot sale. This book primarily looks at the war the 3rd Parachute Regiment fought in Helmand Province in Afghanistan. *3 Para* hasn't got the length of history of some regiments but is regarded by its members as the toughest regiment anywhere.

3 Para by Patrick Bishop - Goodreads

3 Para met my expectations, by reading their story I pay homage to men like Cpl. Bryan Budd VC. For those with an interest in military operations in Helmand Province, this book is a good starting point. Read more. 3 people found this helpful. Helpful. Comment Report abuse. Espen Hagen.
