Physically Focused Hypnotherapy A Practical

Welcome to Goal Oriented Hypnotherapy, home of Scott Sandland, board certified clinical hypnotherapist. This site has been created to introduce you to the modern face of hypnosis and hypnotherapy.

Goal Oriented Hypnotherapy - Newport Beach Hypnotherapy

What it is: Acupressure is an ancient form of therapy which involves applying pressure to certain points around the body in order to stimulate the body's own healing processes, and bring about positive health benefits. Pressure is normally applied with the fingers, and the process is so simple to learn, you can use it on yourself, or have a licensed practitioner treat you for even greater ...

The BIG List Of Complementary & Alternative Therapies

Igor Ledochowski. Igor Ledochowski is a world-renowned author and hypnotist, famous for both his skill in hypnotism as well as his work in training others. He has written many books regarding the subject and he has introduced many important concepts to the field of neuro-linguistic programming, which is often shortened to NLP.

Psychotherapy is the use of psychological methods, particularly when based on regular personal interaction, to help a person change behavior and overcome problems in desired ways. Psychotherapy aims to improve an individual's well-being and mental health, to resolve or mitigate troublesome behaviors, beliefs, compulsions, thoughts, or emotions, and to improve relationships and social skills.

BILL RYAN was a mathematician turned team-building and leadership consultant, who found himself propelled, very much by accident, into the fabled Serpo story in late 2005. A student of Ufology and the paranormal since childhood, he then met Kerry Cassidy, and the two formed Project Camelot. He worked closely with Kerry until 2010, and then went his own way to found Project Avalon.
