### **Shi I Cosmopolitanisms In Africa**

Leichtman provides new insights into the everyday lives of Shi'i Muslims in Africa and the dynamics of local and global Islam. She explores the influence of Hizbullah and Islamic reformist movements, and offers a corrective to prevailing views of Sunni-Shi'i hostility, demonstrating that religious coexistence is possible in a context such ...

This study, Shi'i Cosmopolitanisms in Africa, Mara A. Leichtman's contribution to the understanding of a Lebanese Shiite community established abroad for several generations, has the merit of paying renewed attention to religious concerns. This work is the result of ethnographic research carried out in the field and in archives in ...
