A lesbian is a homosexual woman. The word lesbian is also used for women in relation to their sexual identity or sexual behavior regardless of sexual orientation, or as an adjective to characterize or associate nouns with female homosexuality or same-sex attraction.. The concept of "lesbian" to differentiate women with a shared sexual orientation evolved in the 20th century. Throughout history ...

History. Murray State University was founded after passage of Senate Bill 14 by the General Assembly of the Commonwealth of Kentucky, which created two normal schools in the early 20th century to address the growing demand for professional teachers. One was to be located in the western part of the state, and many cities and towns bid for the new normal school.
