Need a packing list for Thailand? Here's some packing tips about what you can leave at home and what you should make sure you bring to the Land of Smiles. Trying to work out what you should put in your backpack before you travel to Thailand can be a bit daunting.

Packing List For Thailand - Travel Happy

6) Travel insurance for Thailand - While travel insurance isn't the most exciting thing to think about when you're planning a trip, it's really a necessity. You don't want to find yourself unable to get home during a health emergency or having to spend money replacing stolen items. Thailand is a safe country, but things can still go wrong, whether it's injury, illness, or petty crime.

17 Top Thailand Packing List Items + What to Wear & NOT to ...

The most common accident in Thailand has to be scooter or moped-related. What most people don't realize is that even if you have travel insurance, if you don't have a valid motorcycle license from back home, most policies won't cover you so make sure you look into this before your trip.

Thailand Travel Tips: An Epic Guide to Exploring the Best ...

Thailand Travel Guide: Money Saving Tips. Thailand is an inexpensive country and it is hard to overspend. However, there are a few things that will blow your budget (such as alcohol, tours, and trips to the islands). If you're on a really tight budget (or just want to cut costs), here's how to save even more money during your visit.
