

*The Far East And A New Europe The Illustrated History*

### **The Far East And A**

The Far East is a geographical term in English that usually refers to East Asia (including Northeast Asia), the Russian Far East (part of North Asia), and Southeast Asia. South Asia is sometimes also included for economic and cultural reasons. The term "Far East" came into use in European geopolitical discourse in the 12th century, denoting the Far East as the "farthest" of the three "east" ...
