The Restaurant English Edition

Restaurant definition: A restaurant is a place where you can eat a meal and pay for it. In restaurants your food... | Meaning, pronunciation, translations and examples

Restaurant definition and meaning | Collins English Dictionary

A restaurant (French: [ʁestorɑ̃] ()), or an eatery, is a business which prepares and serves food and drinks to customers in exchange for money. Meals are generally served and eaten on the premises, but many restaurants also offer take-out and food delivery services. Restaurants vary greatly in appearance and offerings, including a wide variety of cuisines and service models ranging from ...

Language structures. The term language structure refers to what students say: the phrasing, key words, and grammatical usage that students acquiring English will need in order to participate in a lesson. Like language functions, language structures exist in both oral and written communication. Whereas language function is the "purpose" for talking, language structure refers to the "what"—the ...
