Nevada man suspected of depriving mom access to their child

If a man loves his woman, he wants to have sex with her because he loves her and wants her to be open to him. This is one of the main ways in which a man expresses his love, and it is one of the major ways in which a woman can show and prove her love for her man (although by no means the ONLY way).

5 Reasons Why Women Shouldn't Deprive Their Man of Sex

If the woman feels emotionally disconnected and for good reason and as a result is "depriving" her husband, then theres huge issues that need to be dealt with in the marriage. For some woman, its hard to have an emotionally attached sex Some of the best sex is make up sex! How could a woman deprive herself of such great sex lol!

Why do so many wives deprive their husbands of sex ...

I believe that the admonition "do not deprive each other" refers to the relationship as a whole, not to each individual moment. So if, in the relationship as a whole, you are having regular and frequent sex, then if one of you says, "not tonight", that is not depriving.
