Stealing from your employers is not acceptable under any circumstances. Whether it's just taking a few notepads and pens from the stationery cupboard to money going missing from a till or to an outright attempt to defraud your employer, any of these actions constitutes theft and is unacceptable behaviour regardless of your motives.

Dealing with Employee Theft - WorkplaceSafetyAdvice

it is surprising that there are any poor Americans at all. half my country voted for a dementia addled narcissist whose sole mission is to funnel money to his rich friends and deregulate their businesses while keeping us all distracted with his circus act.

Scientists fired from cancer centre after being accused of ...

I was almost scammed, someone got my Walmart.com account and ordered a IPAD. 474 dollars pending on my bank account for this order. I called Walmart 3 different times, twice they said they would cancel the shipment and refund my money, a day later the shipment was still in progress and the money came out of my account.
