The Last Shadow Puppets - Everything You've Come To Expect

Shadow play, also known as shadow puppetry, is an ancient form of storytelling and entertainment which uses flat articulated cut-out figures (shadow puppets) which are held between a source of light and a translucent screen or scrim. The cut-out shapes of the puppets sometimes include translucent color or other types of detailing. Various effects can be achieved by moving both the puppets and ...

One thing that you see a lot in the Revolutionary Girl Utena fandom is comparison of the Shadow Players with the 'Greek chorus', which in some ways is quite appropriate. However, as a classicist who's read and studied a bit (although not a lot) of Greek drama, it's clear to me that there are a lot of misunderstandings floating around about what a Greek chorus actually does and what ...
