### **Whistleblowing When It Works And**

Change of Viewpoint. In 1998, after we had created this Father & Son whistleblowing website, we thought about devising what we would call a Whistleblowing Self Inventory Analysis. This was to be a self questioning, in the privacy of one's home, for the purpose of a person determining whether or not to blow the whistle, and how well they might cope with the aftermath of such an action.

Introduction. Corruption is a persistent problem that plagues the world. It knows no borders. It is a problem facing post-communist countries as they transition to democracies and market economics (Liebert, Condrey, & Goncharov, 2013), but it is also one that confronts states within North America and Western Europe, including EU members, and those in Asia and South America (Rose-Ackerman, 1999).
