Have you ever wondered about the negative effects of social media use on your brain and how you can use biohacking to decrease them? ... Create your business plan in half the time with twice the ...

### **Can Social Media Have Negative Effects on the Brain?**

Business card books: These are books like "How to be a leader". They establish the author as an expert. The author then uses this book to get speaking gigs or coaching or consulting gigs. These books usually suck. Don't read one. But nothing wrong with writing one. In fact, writing one might be desperately important to your career.

### **10 books that will expand your brain - Business Insider**
